

TUNE Aurelia (*the Church's One Foundation*)

**You called us Lord to serve you
and not to count the cost;
to fight, to toil, to labour,
all gain we count but loss;
Lord give us grace to guide us
your work on earth to do:
and we, our pledge repeating,
commit ourselves to you**

2

**O guide us in our Council
through your redeeming love,
by active witness teach us
to serve you, Risen Lord.
In faith and prayer empower us
to play our earthly part;
and as we meet together
grant understanding hearts**

3

**And so we all as brothers
in Christ's full service pray
we will remain undaunted,
to serve you day by day.
And surely, strongly, proudly,
proclaim to all the earth**

the Gospel of redemption

the promise of new birth.

All Glory to the Father

the One, Incarnate Lord;

Born, died, and raised triumphant

blest Spirit and the Word:

Help us to think more wisely,

act kindly and live pure,

and, by resolving bravely,

in faith of Christ, endure
